## School Report

No schools are maintained by the town. The school tax is raised at the rate of \$1.50 per thousand rateable estate at the present time. The State Tax Commission is now responsible for collecting the school tax, and annually assesses against the real and personal estate, an amount equal to the sum certified to it by the department of education. The Town of Hart's Location will again vote on payment of the school tax. This money goes into the State Equalization Fund, and is used for any education necessary.
